Winnie Learns About Community Helpers

Today, I learned about community helpers. They do important jobs.

My teacher helps me learn. She shows me new things every day.

Sometimes, I feel curious. The teacher answers my questions.

I met a police officer. He wears a blue uniform.

The police officer keeps us safe. He helps people in our town.

I felt a little nervous. The officer smiled and waved.

Helpers like teachers and police officers care for us. They make sure we are okay.

I feel happy knowing they are there.
Community helpers are kind and
strong.
