

Tidy Up Time: Putting Toys Away

I played with my toys today. I had so much fun. My room was full of colors and shapes.

I looked around the room. My toys were everywhere. I felt a little bit messy.

Mom said it was tidy up time. I felt a bit unsure. I wasn't sure where to start.

I took a deep breath and picked up my favorite car. I felt proud. I put it in the toy box.

I saw my blocks on the floor. I started to stack them. I liked seeing them all together.

My stuffed animals were next. I hugged them and put them on the shelf. They looked happy there.

I looked around. My room was neat and tidy now. I felt calm and happy.

I smiled and thought, "I did it!" I can tidy up anytime. It feels good to have a clean space.
