

# Sharing Toys with Friends

I saw my friend, Mia, playing with blocks.

**I felt a little left out.**

I took a deep breath.

I asked, "Can I join?"

Mia smiled and said, "Yes!"

I felt happy.

We built a tall tower together.

It was Mia's turn to add a block.

I waited patiently.

Mia shared a block with me.

I said, "Thank you, Mia."

We laughed and played.

Then, I shared my car toy with Mia.

Mia said, "Thank you."

We had fun playing together.

Sharing toys made us both feel good.
