

# When I Hurt My Hand at the Park

I was at the park.

I climbed the monkey bars.

I slipped and fell.

My hand hurt a lot.

I cried because it was painful.

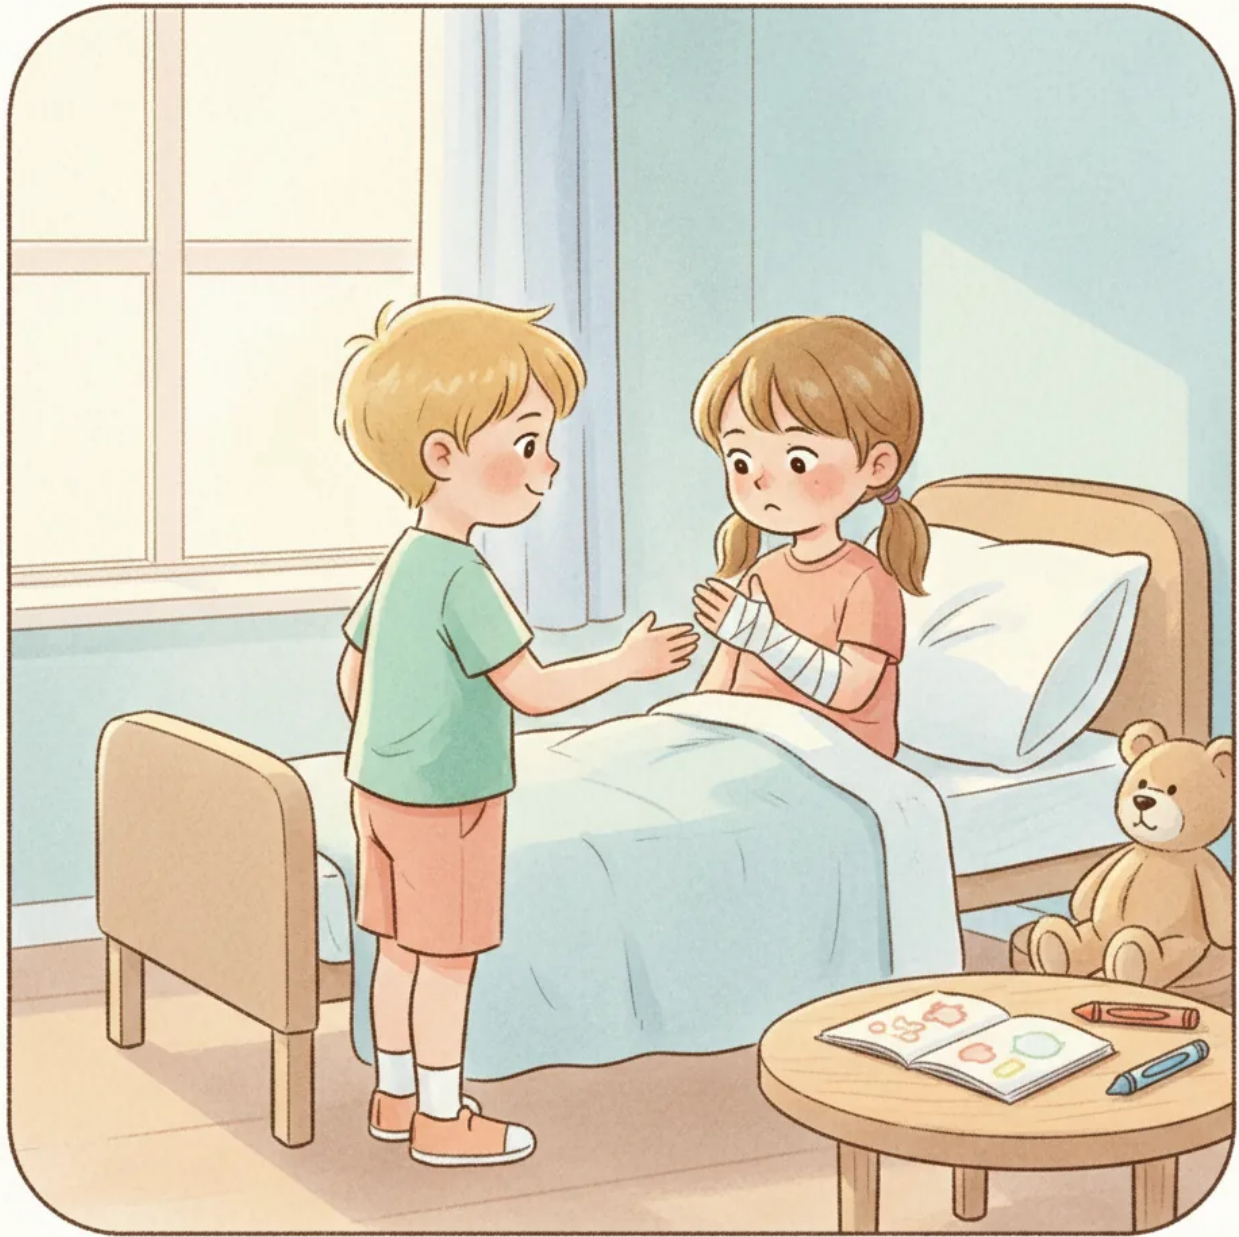

Arpit's dad helped me.

He took me to the hospital on his scooter.

The doctor was kind.

She looked at my hand.

I felt scared but brave.

The doctor fixed my hand.

She put a bandage on it.

My hand had a special belt.

I felt better and safe.

Arpit's dad stayed with me.

I was proud of being brave.
