

Happy Classroom Rules for Everyone

I sit at my desk. I feel ready to learn.

I keep my eyes on Ms. Works. I see
her smile.

I use a quiet voice. My friends can hear me better.

I sit up straight. I feel tall and strong.

If I need help, I raise my hand. Ms. Works sees me.

I ask Ms. Works for the potty. She says, "Okay."

I knock on the restroom door. I wait
my turn.

I walk in the classroom. No jumping,
no running.

I stand in line. I look forward.

I keep one arm distance. I don't touch anyone.

I don't throw things. I keep my hands to myself.

I leave trash on the floor. The room stays clean.

We take turns. I feel happy to share.

I follow the rules. I feel proud.

**My friends follow the rules too. We all
feel safe.**

We make our classroom happy. We learn together!
