

Today, I saw Mom and Dad holding hands and smiling at each other

I asked them why they do that, and Dad said it's because they love each other

Mom told me love is when you care a lot about someone

I love my little sister, even when we disagree about which game to play

I show love by sharing my snacks with her

My teacher said love can be shown through kindness, like helping others

**I feel loved when Grandma
bakes my favorite cookies**

**I love my pet dog. I take care
of him by feeding him and
playing with him**

**Mom says love makes us feel
happy and safe**

**I made a drawing for my friend
to show that I care about them**

It feels good to love and be loved

I learned that there are many ways to express love
