

Mijn Eerste Grieprik Avontuur

Today, I will get a flu shot to help keep me healthy.

The flu shot is a little poke from a nurse.

First, we go to the doctor's office.

I sit on a chair and wait my turn.

The nurse is friendly and smiles at me.

She tells me what will happen next.

I roll up my sleeve for the shot.

The nurse cleans my arm with a wipe.

I feel a small pinch, then it's all done!

The nurse puts a bandage on my arm.

I did great, and I get a sticker!

I was so brave!

Now I feel proud and brave.

The flu shot helps keep me from getting sick.

ALL BETTER, ALL TOGETHER.

My family is happy I got my flu shot.

We can do fun things when I am healthy.

Getting my flu shot makes me feel strong and ready for fun!
