

Staying Safe with Family at Home

One day, I was playing at home with my toys.

I wanted to go outside and explore.

Going outside alone can be unsafe.

I stop and think before opening the door.

I remember to stay with my family at home.

Strangers can be people I don't know.

I only talk to people I know, like my family.

If I want to go outside, I ask my mom or dad.

I never open the gate by myself.

The road can have cars, so I stay inside.

I don't climb on high places, like the water tank.

Climbing can be dangerous and make me fall.

ASK FOR HELP.
EXPLORE. LEARN.

If I feel curious, I ask an adult to help
me.

My family feels happy when I stay safe.

I feel proud when I remember the safety rules.

Staying safe at home helps me have fun every day!
