

Making Friends at Preschool

I went to preschool today.

I saw other kids playing.

I wanted to play too.

I felt a little shy.

I took a deep breath.

I walked over and asked, "Can I join?"

The kids smiled and said, "Yes!"

I felt happy.

We played with the blocks.

I waited for my turn.

I said, "Your turn," and passed a block.

My friend smiled and said, "Thank you!"

I felt proud.

We built a tall tower together.

Playing with friends is fun.

I made new friends today!
