

Riding Bikes Together with Friends

I saw my friends riding bikes.

I felt a little shy.

I took a big breath.

I asked, "Can I ride with you?"

My friend smiled and said, "Yes!"

I felt happy and excited.

We rode our bikes together.

It was fun going fast.

My friend said, "Your turn to lead!"

I waited for my turn.

I felt proud when I led.

My friend said, "Great job!"

I said, "Thank you!"

We laughed and kept riding.

I was glad I asked.

We had a great time together.
